

IOS Press

License to Publish

Publisher/Licensee IOS Press B.V., Nieuwe Hemweg 6 B, 1013 BG Amsterdam, The Netherlands

Definitions:

- Published version of the article = peer reviewed and typeset article in the publisher's format
- Author's Original paper / Article = submitted version of the manuscript prior to peer-review

1. Grant of Rights

By accepting this License to Publish, you hereby grant the Publisher the exclusive right, unlimited in time and territory, to publish, republish, transmit, sell, distribute, store and otherwise use the Article in whole or in part, including abstracts thereof, in all languages and in all media of expression now known or later developed, and to license or permit others (including but not limited to Reproduction Rights Organisations such as the Copyright Clearance Centre) to do so. Furthermore, you grant the Publisher the right to use the Article in whole or in part, within the Journal, as stand-alone and/or with other related material in databases, data networks and for multimedia purposes including the right to alter the Article if necessary for these purposes.

2. Rights Retained and Self-Archiving

2.1. You retain the right to use the published version of the Article provided (i) you acknowledge and reference first publication in the Journal and (ii) you do not use the Article for commercial purposes:

- use the Article, in whole or in part, for classroom teaching
- distribute copies of the Article, in whole or in part, to known research colleagues for their personal, non-commercial use
- use the Article, in whole or in part, as a basis for your own further publications, subsequent compilations or verbal presentations
- use the Article, in whole or in part, in a thesis or dissertation written by you.

2.2. You retain the right to post a copy of the originally submitted version of your article ('Author's Original') to your personal, your institute's, company's or funding agency's website and/or in an online repository such as arXiv, BioRxiv or ResearchGate; such copy must include the following notice: © [name of author, year]. The definitive, peer reviewed and edited version of this article is published in [name of journal, volume, issue, pages, year, DOI or URL].

2.3. Any other use is subject to a permission from IOS Press B.V.

2.4. The publisher confirms to respect your moral rights as authors of the Article, thus, to ensure that your name(s) is/are always clearly associated with the Article, and to refrain from any substantial change to your Article without consulting you.

3. Warranties

You warrant and represent that:

3.1 the Article is your original work, has not previously been published, and is currently not under consideration by another peer-reviewed journal.

3.2 if the Article contains material from other sources, you have obtained written permission of the copyright owner to use and sublicense the material as well as identified and acknowledged it in your Article, including special attention to the use of Open Access material into a closed circulation.

3.3 the Article does not, to the best of your knowledge, contain anything which is libelous, obscene, defamatory or infringes anyone's copyright or other rights or is in any other way unlawful.

3.4 you have full right, power and authority to grant the above rights to the Publisher on behalf of all Authors, funding agency and/or employer and you are not in breach of any other obligation and that you have informed the co-authors of the terms of this License to Publish which you are signing on their behalf as their agent.

4. Copyright Infringement

You agree to cooperate fully with the Publisher in any infringement proceedings arising in connection with the publication of the Article and to provide any documents, accounts and records within the power of your control. The Publisher may take measures against any assumed copyright infringement by a third party at its own expense.

5. Fees

5.1. Upon acceptance of the manuscript you are responsible for the payment of the publication fee if the Journal requires such a fee.

5.2. IOS Press offers authors an option for Open Access to comply with funder requirements. This option allows the author to pay for Open Access in the respective Creative Commons License.

5.3 Possible publication or open access fees paid to the publisher are non-refundable. In case an article is published and later retracted, no refund on publication or open access fees will be provided. At this point the publisher has already incurred the cost for publishing services provided and will further need to maintain and correct the scientific record of the article. No refunds will be given should an author opt for a different (open access) license post publication.

6. Miscellaneous

6.1. Changes of authorship, including addition, removal and/or sequence after acceptance of the manuscript are not permitted unless approved by the journal editor and all co-authors.

6.2. In case the manuscript is rejected and this License to Publish is terminated, then as a result all rights revert to the author.

6.3. The Publisher will keep your name and address for record purposes, and reproduce them in the journal and in indexing and abstracting and bibliographic services. Your personal information will not be used for any other purpose and will be handled in accordance with the regulations of the EU General Data Protection Regulation.

6.4. This agreement shall be governed by, and shall be construed in accordance with the laws of the Netherlands. The courts of Amsterdam shall have the exclusive jurisdiction.
