

Akademische Verlagsgesellschaft AKA GmbH
License to Publish
For Edited Volumes and Conference Proceedings

By submitting a manuscript for publication in a book by Akademische Verlagsgesellschaft AKA GmbH, you accept the terms of this license of behalf of yourself and any co-authors.

Publisher/Licensee: Akademische Verlagsgesellschaft AKA GmbH, Heinrich Gruber Strasse 19, D-12621 Berlin, Germany, represented by IOS Press BV, Nieuwe Hemweg 6B, 1013 BG Amsterdam, The Netherlands

Definitions:

- Article = the published article in an edited volume or a conference proceedings, peer reviewed and typeset in the Publisher's format, a.k.a. the Version of Record
- Manuscript = the Author's original, submitted version of the manuscript prior to peer review

1. Grant of Rights

By accepting this License to Publish, you hereby grant the Publisher the exclusive right, unlimited in time and territory, to publish, republish, transmit, sell, distribute, store, and/or otherwise use the Article in whole or in part, including abstracts thereof, in all languages and in all media of expression now known or later developed, and to license or permit others (including but not limited to Reproduction Rights Organisations such as the Copyright Clearance Centre) to do so. Furthermore, you grant the Publisher the right to use the Article in whole or in part, in the edited volume or conference proceedings, as stand-alone and/or with other related material in databases, data networks and for multimedia purposes including the right to alter the Article if necessary for these purposes. The copyright in the Article shall be vested with the Publisher.

2. Rights Retained and Self-Archiving

2.1. You retain the right to use the published Article, provided (i) you acknowledge and reference first publication in the edited volume/conference proceedings and (ii) you do not use the Work for commercial purposes. In particular you may:

- use the Work, in whole or in part, for classroom teaching
- distribute copies of the Article, in whole or in part, to known research colleagues for their personal, non-commercial use
- use the Article, in whole or in part, as a basis for your own further publications, subsequent compilations or verbal presentations.
- use the Article, in whole or in part, in a thesis or dissertation written by you.

2.2. You retain the right to post a copy of your original Manuscript to your personal, your institute's, company's or funding agency's website and/or in an online repository such as arXiv , BioRxiv or

ResearchGate; such a copy must include the following notice: © [name of author, year]. The definitive, peer reviewed and edited version of this Article is published in [book title, editor(s), print ISBN or online ISBN, pages, year, and DOI or URL]. These details can be found on <https://ebooks.iospress.nl>.

- 2.3. Any other use is subject to a permission from the Publisher.
- 2.4. You may not publish the whole or substantial parts of the Article again without the written consent of the Publisher. The Publisher's permission is not required for using the Manuscript as the basis for your future work.
- 2.5. The Publisher respects your moral rights as author(s) of the Article, thus, ensures that your name(s) is/are always clearly associated with the Article, and refrains from any substantial change to your Article without consulting you.

3. Warranty

- 3.1. You hereby warrant that the manuscript is your original work, has not been published before and is not currently under consideration for another publication, and that to the best of your knowledge does not contain anything that is libellous, illegal or that infringes any copyright or other third party rights. Furthermore, you warrant that if the manuscript contains material from other sources, you have obtained written permission of the copyright owner to use and sublicense the material as well as identified and acknowledged it in his manuscript.
- 3.2. You shall indemnify the Publisher against any claims and costs accruing due to a breach of such warranty.

4. Miscellaneous

- 4.1. In case the Manuscript is rejected and this License to Publish is terminated, all rights are reverted to the author.
- 4.2. The Publisher will keep your name and address for record purposes, and submit them to indexing and abstracting and bibliographic services. Your personal information will not be used for any other purpose and will be handled in accordance with the regulations of the EU General Data Protection Regulation.
- 4.3. This License to Publish shall be binding upon and inure to the benefit of the respective heirs, executors, administrators, legal representatives, successors and assigns of the Publisher.
- 4.4. This License to Publish shall be governed by and shall be construed in accordance with the laws of the Netherlands. Disputes between the parties arising from or in relation to this License to Publish, shall be settled by the competent court in Amsterdam.
