Education for Information

Conference organizers will invite the authors of high quality papers to submit a full-text manuscript (in English) of their paper presented at the ISKO 2021 Lisbon conference to be considered for publication in the peer-reviewed scholarly journal *Education for Information* (<https://www.iospress.nl/journal/education-for-information/>). This submission should occur during January 2022.

Education for Information (EFI) welcomes a broad perspective on issues related to the information and communication discipline and is indexed in Cambridge Scientific Abstracts, EBSCO, ERIC, Scopus, Web of Science: Emerging Sources Citation Index etc. EFI publishes full-length articles (5000-8000 words of text excluding the references). Submission guidelines for EFI are available here: <http://www.iospress.nl/journal/education-for-information/?tab=submission-of-manuscripts>. The approved submissions will be subject to a double blind review process and should be submitted via the journal's online system. Further queries regarding publication of ISKO 2021 Lisbon papers in Education for Information can be addressed to Carlos Guardado da Silva (carlosguardado@campus.ul.pt) and Jorge Revez (jrevez@campus.ul.pt, EFI guest-editors.
